# Our Mission

At NeoCoinX, our mission is to empower entrepreneurs, innovators, and growth-driven individuals by providing secure financial tools, seamless onboarding, and a supportive community. We are dedicated to building a transparent, inclusive, and collaborative ecosystem where knowledge is shared, opportunities are accessible, and every member is equipped to take control of their financial future.

# Our vision

At NeoCoinX, we envision a thriving global ecosystem where digital finance is simple, secure, accessible, and empowering for everyone. Our goal is to become the leading platform that champions innovation, encourages collaboration, and drives sustainable growth. By breaking down barriers and ensuring equal access, we aim to reach every individual and community—shaping a decentralized future where opportunities are open and prosperity is shared by all.

# Founders of Neocoinx

Neocoinx, Inc. was co-founded by Dirk D. Brown and John D. Williams.

**Dirk Brown** is a Ph.D. engineer and business leader who helped shape Neoconix's strategy and growth. He played a key role in developing its breakthrough PCBeam™ connector technology and later went on to hold leadership roles in tech companies and academia.

**John Williams** contributed as a technical co-founder and inventor, working alongside Brown on several patents that advanced Neoconix's innovative electrical connector solutions.

# Success with **NeoCoinX** — Innovate. Achieve. Grow

NeoCoinX is not just a token – it's a community-driven financial ecosystem. We invest in small business startups and rental services in the USA, and the earnings are shared back with our community through a smart referral and profit-sharing model.

- **SMALL BUSINESS STARTUPS**

Funding Small Startups – NeoCoinX supports small businesses and rental service projects with growth capital.

- **REAL ESTATE**

Find your perfect space with NeoCoinX Real Estate — from modern apartments to luxury homes, we make renting, buying, and investing simple and secure.

- **FINANCE**

NeoCoinX Finance helps you plan, grow, and secure your future with smart financial solutions tailored to your goals.

# The Future of NeoCoinX

At NeoCoinX, we're not stopping at just providing a safe, innovative platform — we're building an entire ecosystem where community members can grow, earn, learn, and connect. Our upcoming projects are designed to empower our users with more tools, more opportunities, and more control.

# How It Works

01

Funding Small Startups – NeoCoinX supports small businesses and rental service projects with growth capital.

Revenue Generation – These businesses create stable profits from real services such as rentals and operations.

Community Distribution – Profits are shared with members, providing them with sustainable income.

Referral + Growth Model – Members earn by inviting others, building a growing community of investors and entrepreneurs.

Example Model:

02

Example Model:

NeoCoinX invests \$100,000 in rental and startup projects in the USA.

Businesses generate \$20,000 in monthly profit.

80% of profits (\$16,000) are shared with community members as USDT or investment points.

Members can reinvest their earnings into upcoming projects for larger future shares.

# NeoCoinX Investment Areas

Our investment areas span across crypto, digital assets, startups, and the metaverse – all designed to create sustainable growth. Through community-driven models, members share profits and rewards from diversified opportunities.

**DIGITAL ASSETS**

**CRYPTO & COINS**

# NeoCoinX Investment Model

Our strategy focuses on acquiring high-value digital assets within top-performing metaverse platforms and distributing the returns among our community members

## Virtual Land Acquisition

- Purchasing digital land parcels in leading metaverses (e.g., Decentraland, The Sandbox, Otherside).
- Developing or leasing land for virtual businesses, events, or advertising spaces.
- Benefiting from long-term appreciation of land value as demand grows.

## Funding Support

- Providing startups and small businesses with the initial capital they need.
- Offering flexible funding models such as grants, profit-sharing, or equity co-investment.
